Study: Pursuing Spiritual Transformation: "Fully Devoted" (book 1)

Study Overview:

What does it mean to do everything "in Jesus' name"? Is that an ideal attainable only by a few "super Christians", or is it a way of life we can all experience?

"Fully Devoted" (the first book in the series) gets at the heart of what it means to be a fully devoted follower of Jesus Christ. This study provides an introduction to the foundational values and practices of Christian growth. Through personal study and small group interaction, you'll gain a fresh perspective on what it means to be a "spiritual" person. You'll explore the wonderful depths of grace, learn how to train to become like Christ, gain appreciation for the relationships God uses, and more. In the process, you'll discover how doing everything in Jesus' name – one day at a time – can lead to a lifetime of transformation.
